## WELCOME 2007!

### WELCOME FROM THE PRESIDENT

As 2006-2007 GCC President, I'd like to encourage you to explore the exciting world that's all around you while getting more involved with other 4x4 enthusiasts. Being out in nature will help you put your trials and tribulations in perspective as you de-stress in the great outdoors. Being involved with a club will give you an opportunity to spend time with like-minded people as well as band together to learn more about the sport and how to keep access to public lands open for all users. There's a wonderful world out there, complete with beauty, adventure, camaraderie, and solitude that most people never get to experience. So grab your Toyota 4x4 and come join us! - *Randy Underwood.*

We had some new members join the group along with another group from Kansas who came to join in the fun. Among the guests, we had an imposter a J\*\*P in TOYOTA clothing!

### DECEMBER MEETING

The December 9th, 2006 official meeting was held at Billy Sims BBQ in Broken Arrow, Oklahoma. The officers and members of the group discussed several topics including creating a schedule of events, prizes for the big events, and the newsletter.

### FALL PICNIC 2006

The fall picnic was a super hit at Disney, Oklahoma on October 21st. It was a little chilly with the wind but tolerable. We had BBQ and raffling of prizes. The big prize was a Ramsey winch. The trail runs were successful with no problems. Everyone had a great time. A beautiful scenic river view was taken in during a short break and then many stayed and wheeled well after dark.

- Comments, pictures, articles, etc. are welcome for future newsletters. Please forward them to the email below or contact me through our Yahoo group.
